WHAT IS THIS?

After running thousands of workshops, Stale Chips has created customized and repeatable processes full of engaging tools that help teams collaborate more effectively. Stuck on a problem? Can't find the problem? Ran out of good ideas? No worries -- These offerings will teach you the core competencies needed, between laughs, to create guided conversations that get the best out of each individual.

ONLINE COURSES

To support continued growth, we've created courses featuring our own internal toolkit for tackling all phases of problem-solving. In 16-hours of in-depth teaching, students will gain access to the ingredients needed for successful innovation.

PRICE: \$2,320

This price is per person and provides access to 9 courses, for a total of 16+ hours of education.

COLLABORATION BOOTCAMP

We'll facilitate a core group of ≤ 30 . Tailored to the components that make up teambuilding, strategy, and mitigating measures. Including, but not limited to: leadership, effective communication, problem-solving techniques, stakeholder engagement, and building trust.

PRICE: \$29,999

This price is fully burdened, including all materials, travel, and lodging. Recommend each participant also take Don't Take it Persona-ly, Problem Finding, and Prioritization. **Bootcamp Bundle** for these courses are discounted from \$735/person to \$325/person.

ONE-DAY WORKSHOP -- CUSTOM

We'll facilitate a core group of ≤ 24 through your off-site, retreat, or strategic problem-solving event. Not listed: other offers include a 2nd facilitator for that extra-special event.

PRICE: \$31,999

This price is per 1-day workshop and is fully burdened, including all materials, travel, and lodging.

MASTER FACILITATION TRAINING

A hybrid offering, this process combines asynchronous and in-person sessions to rapidly develop long-lasting facilitation skills for an individual, team, and organization. In a series of 3 on-site workshops, participants will follow Stale Chips' *I do, we do, you do* learning method. Quality participants will be certified and gain access to 16+ hours of our growing content library.

PRICE: \$119,910

This price is fully burdened and includes all materials, travel, and lodging for 3 in-person workshops and licenses to our online toolkit for up to 15 participants. Additional course licenses can be purchased.

WORKSHOP CURATION

Everything in **Level 4 Certification** provides clients with the full support of Stale Chips during the planning process of one high-profile workshop -- a bag of facilitators in your back pocket! We help from the discovery phase, through the nitty gritty agenda and venue setup, because a quality agenda and a well-prepared team define the success of a workshop.

PRICE: \$139,910

This price includes Level 4 Certification, office hours, workshop templates, and tailor-made support for the background planning of one workshop.
